

FOR PSA MEMBERS: **COORDINATING CHAMBER OF PROVINCIAL EASTERN CAPE PROVINCE (CCPECP)**

20-07-2023

Feedback: Special CCPECP Chamber Meeting - 12 July 2023

Equitable Representation in the Chamber

In the previous meeting, labour raised a concern that most employer representatives from the different departments attend Chamber without a mandate from their principals. The employer noted that labour is overrepresented in terms of item 4.2.2 of the "Procedure Manual for PSCBC Coordinating Chambers in Provinces, which states that the attendance of representation per party to the Chamber will be in accordance with the representation in the Chamber. The employer and labour agreed to maintain the *status quo* of at least 4 representatives per union for further discussion in the next Chamber meeting.

Occupational Health and Safety Report

The employer presented a report on Occupational Health and Safety that was noted by labour. Two departments, namely Department of Social Development and Department of Cooperative Governance and Traditional Affairs do not have active district OHS Committees. Labour raised a concern that some of the departments do not adhere to the three-year term of office for OHS Committees as prescribed by the Act. The employer will report back on issues raised by labour in the next Chamber meeting. A copy of OHS Committees functionality assessment report is *attached*. Members are requested to familiarise themselves with the attached OHS functionality document and report any irregularities to gilbert.seakamela@psa.co.za or bradley.benson@psa.co.za

Provincial Human Resource Status Report

Nothing was reported under this item. The employer requested that only recent vacant and filled posts be reported in future. Parties agreed that the item remain on the agenda for reporting on these recent matters.

Faiure by various Provincial Departments to Invite the PSA to the Shortlisting and Interview Process

The PSA raised a concern with regards to non-invitation of the PSA when shortlisting and interviews take place. The employer noted and invited the PSA to address this matter with the affected departments. Parties agreed to provisionally remove the item from the agenda.

The next CCPECP (PSCBC) meeting is scheduled for 4 August 2023 and members are invited to submit agenda items to gilbert.seakamela@psa.co.za or bradley.benson@psa.co.za
