PSA celebrates successful 2023

The PSA, as the Union of Choice, continued to grow its membership during 2023 as part of the many successes achieved during an eventful year. I would like to thank each and every person who played a role in yet another remarkable year in the history of the Union of Choice.

A revitalised PSA will enter 2024, refocused on providing members with excellent and professional services, as the Union continues its work in the interest of public-sector employees. Challenges and obstacles will be overcome through sincere and united efforts for the betterment of the public sector and the citizens who depend on these services. The PSA is fully committed to continuing its work as a positive force and strong voice for public-sector employees.
