Feedback: Building task team meeting - 21 November 2023

The employer convened a meeting to provide a report regarding the decision taken by the board to move the current office to a new, alternative office building. The Department will confirm the name of the new building after the processes of the task team have been completed. A task team was mandated to identify office space outside the Pretoria CBD. The task team discovered that there were a lot of criminal activities around the CBD and buildings were not in good condition.

The PSA noted the report and requested the terms of reference of the task team so that their functions and responsibilities could be outlined. The employer committed to providing the requested information by 27 November 2023. The date of the next task team meeting will be confirmed in due course.

Members will be informed of developments.

Employees who want to join the PSA can visit the PSA's website (www.psa.co.za), send an email to ask@psa.co.za, or contact PSA Provincial Offices.
