Wage increase 2023/24: Urgent notice

The PSA is inundated with calls from members regarding the 2023-wage increase of an average of 7.5% that is not reflecting on the pay slips for April 2023.

The PSA engage the Department of Public Service and Administration (DPSA) and an urgent meeting is scheduled with Persal to rectify the situation. Once the PSA has received feedback on the outcome of the meeting between Persal and the DPSA, members will be updated. The PSA requests members' indulgence and assures members that the matter is receiving urgent attention. The PSA is confident that the matter will be resolved speedily and members will be updated.

Employees who want to join the PSA can visit the PSA's website (www.psa.co.za), send an email to ask@psa.co.za, or contact PSA Provincial Offices.
