## Feedback: SITA medical schemes comparative analysis 2023 - 6 November 2023

Members of SITA may recall that an analysis of the medical-aid scheme was conducted by *Moso Consulting Services* and roadshows were conducted across offices. A presentation was conducted, and the following recommendations were made:

- *Discovery, Bonitas, and Medihelp*, as the current SITA-designated schemes, continue to serve employees owing to financial sustainability, value proposition, and administrative efficiency.
- That *Bestmed* and *Umvuso* be considered as additional medical-aid schemes to serve employees at SITA.

Members are therefore requested to read the *attached* presentation with the recommendations and advise the PSA whether SITA should proceed with the addition of the two proposed medical-aid schemes and indicate whether they ACCEPT or REJECT the recommendation.

Members are requested to return the form to [Zamani.Dladla@psa.co.za](mailto:Zamani.Dladla@psa.co.za) or local shop stewards by **15 November 2023**.

Employees who want to join the PSA can visit the PSA's website ([www.psa.co.za](http://www.psa.co.za)), send an email to [ask@psa.co.za](mailto:ask@psa.co.za), or contact the nearest PSA Provincial Office.
