Office of the Premier

A member approached the PSA for assistance with a disciplinary hearing after being served with five allegations of misconduct for failing to comply with the performance management policy, unacceptable conduct, and misrepresentation. The PSA assisted the member and during the disciplinary hearing raised a point *in limine* regarding the allegation that it was splitting of allegation. The employer agreed and withdrew two allegations and only three remained. The member pleaded not guilty to the remaining three allegations and subsequently the chairperson found the member guilty on only one allegation. The PSA further assisted the member with mitigating factors and consequently the chairperson pronounced a sanction of a final written warning as an appropriate sanction.

Department of Social Development

The PSA assisted a member with allegations of gross dishonesty, including misuse of state vehicles and unauthorised use of state vehicles.
